How-to guides

How-to guides are currently available on the page cover. Creating and editing question banks and assessments. Creating a bank of questions for your own use and already suggested to be published only.

For Organisation Administrators: exploring and creating question banks.

A free part series to:

- Familiarise you with the clinicalskills.net question banks;
- Introduce you to building your own questions;
- Explain how to put together a test for your centre; and
- Show you how to allocate tests to your users.

BMJ Best Practice

<https://bestpractice.bmj.com/login>

The screenshot shows the BMJ Best Practice login interface. At the top, there's a blue header with the 'BMJ Best Practice' logo on the left and a search bar on the right. Below the header is a navigation bar with icons and labels for 'Recent updates', 'Specialties', 'Calculators', 'Patient leaflets', 'Procedural videos', 'Evidence', and 'Drugs'. The main content area is titled 'Log in to Best Practice' and includes a subtext: 'Choose one of the access methods below to log in or take a look at our [subscribe](#) and [free trial](#) options.' There are two columns of login options. The left column is for personal accounts, featuring input fields for 'Email' and 'Password', a 'Forgot password?' link, and a red 'LOG IN' button. The right column is for institutional access, featuring two buttons: 'OPEN ATHENS' and 'SHIBBOLETH'.
